

## This rally starts in the parking lot of Indian Creek Middle School in Trafalgar

Welcome to Hidden Drives 2015 - the ever so lucky 13th edition! We're going to do some driving through the hills o' brown today. Leaf peepers should be at a minimum, but remember to obey the rules of the road, keep right, and watch out for deer that might come bouncing out of the woods! We'll be ending at the Pine Room Tavern for a late lunch. Name the road that the picture above was taken on and mileage point, put your answer on line 1. Eyes open and let's have fun today! Your Rally Master's phone number is 317-513-3453. The FRS radio channel will be 5 for today's event.
