

NOTE: The first leg crosses I69/SR37. Presently (Nov. 2017) this is not possible as construction only allows right turns at I69. See Re-route next page. Will up date when new interchange at Liberty Church is open! Could turn right at SR37 and go about 6 to 7 miles and turn around, but this is not recommended as it has a large amount of Stop and go Traffic.

Best of Morgan County Rally(Leg 1)

7/8/2017
