NOTES:

Park along the far north, outside ring of the lot, backing in if possible.

We will be entering Gray's from their north entrance. There are restrooms immediately to the right. Additional restrooms are located near the front entrance.

Proceed through the seating rooms to the front line. After you go thought the line, let the staff know you are with the Indy Miata Club. We will attempt to set together in the same dinning room. Gray's can get very busy, so if we can't set together, that is fine.

After we have lunch, we would like to get a group photo by our cars.
